

Sunday Night

The BROADMOOR
COLORADO SPRINGS

My Dear Hubert -

It is certain now that I won't get home before you leave but I am very sorry about it. But I feel confident that I shall be seeing you before too awfully long.

I will be thinking of you and praying for you each day. You just be a good little boy, Hubbie and make the best of things. I know you will make a fine soldier and when you get into that uniform have your picture took some time so we can see how you look. I never heard anymore

it later this week.
 Tell mommy to be good and
 not worry about you.
 I guess Eda will get home
 before you leave. And I hope
 you won't feel bad about my
 not getting there. But you
 know it's not because I don't
 love you because I've always
 loved you very much.
 And I trust the Lord that all
 will work together for good.
 May he bless you and keep you
 always.

Leona

I am enclosing a couple of pictures
 that are no good, but ~~never~~ ^{as I}
 So what can you expect!

about the navy so I guess
 you didn't try for it?
 Hubbie I am going to enclose
 a self addressed envelope
 with air-mail stamp on it
 And I want you to write
 and let me know where you
 are being sent as soon as
 you find out. Also, what
 branch you are in if you
 know by then. Tell me as
 much about yourself as you
~~self~~ can. I think I will be
 leaving out here the 10th of Aug
 So try to get the letter to me
 before that. ^(and give me your address)
 I hope you will get to stay
 together with some of the
 other boys from around home.
 It would be more fun for you
 probably will have some time

off to go places³ and see things
of interest. Hobbies I guess

I'm just an old-maid sister
who feels like she has to give
advice and I know you don't
need it. But I just wouldn't
want you to get to drinking and
stuff like that. I saw three
soldiers get on a bus to night
one was so tight the other two
had to help him on. And I
thought I must warn you of
such things. I am sure you
will meet some very fine boys
but you will also meet some
bad ones.

I want you to be happy and
have a good time, but it is
better to be alone than in
bad company.

Tell Evelyn thanks for her
letter and I will answer
