My Dear Hubbie,  
Friday, March 2<sup>nd</sup>  
It was a thrill to get a letter from you again Monday Feb. 26<sup>th</sup> it was the letter you wrote Feb. 12<sup>th</sup> it had been three weeks since we last had heard from you. Yes, we got several letters you wrote while aboard ship. Sure hope some of our letters have reached you by now. Guess what Hub. I'm down home - came to day noon. It just doesn't seem right to be there without you. I made a tour of the barn-yard with Tom and Evelyn, at chore time. The calves and pigs, you know always interest me. I guess I'll always be a country gal' at heart.  
This after-noon Milda, took Mom, Evelyn and me over to Alvin's while she went to Friedstadt to get the twins. I think little Karen Alice, is a beautiful baby and little David sure is a proud brother. He talks a lot more than he did at Christmas time, and, he can tell you right off where all his uncles and aunts are.  
Hubert dear, can you by any chance tell us now with which Army you are connected 1st, 3<sup>rd</sup>, 9<sup>th</sup>, or other by, you can't mention the name, perhaps you can give us the number so we can figure it out. We are all fine here at home and I pray God will keep watch over you dear brother.

Much Love, Leona
