Dear Hub:

Well, how are you making it. I hope you are not  
too cold. We have some snow here but it isn't very cold. I  
hated winter today. I guess you remember my 3rd  
writing, well I have a habit of writing every time one of my  
regiment come home. I guess you will say why don't  
they have a call more often, but the reason is that just gives  
me a permit a year he he. I was in there, you see she had little  
self. I got my hair cut to wild, but don't wash that is the  
thing one. I am about ready to saw wood I am going to saw  
this wood if the weather takes of. I cleared off a step in the  
saw for you. Reno didn't pass for his 1st command.  
We got done with our show pretty early so we are planning on eating  
early. We have some pop corn so we are planning on eating  
some a little later on. I sure wish you could eat with  
us. That would be wonderful. Walter and Edwin Halls  
joined the 1st Cavalry Group. We are having a social  
tomorrow night. We are going to play bingo I guess you remember  
how did you? Well I am still like I always was don't  
have a girl friend yet. Last night I took Vera to the  
come home. We wouldn't do that if you were here I bet.  
I hope you can read this I might of wrote to small.  
I think I did write to small I don't know any more to  
write. We are planning on selling some wheat this week  
it is \$5 per bu. That is a pretty good price I think. The  
producers really doing good but as usual talk. I am going  
to see some horses next tomorrow if it isn't too cold.  
I hope you can hear warm. I think about you a lot.  
With love from
